

ADRAS GODELLO

D.O. Ribeira Sacra

WINERY

Isaac Fernandez Seleccion is a unique collaborative venture between two individuals – Isaac Fernandez one of Spain’s most acclaimed winemakers and Aurelio Cabestrero whose vision and commitment helped bring Spanish wines to the forefront in the United States. They work at rediscovering forgotten regions of superior terroir and maximizing the potential from old vines of indigenous grape varieties in a number of regions.

After vinifying several vintages of Godello and Mencía in Ribeira Sacra, Isaac was confident that he could produce wines worthy of the moniker, Sacred Slopes and produced the first bottles of Adras white and red. These wines are marked by their climate (Atlantic) and sites (sloping or ancient terraces) and offer amazing structure of acidity that supports deep soil tones and vibrant crunchy fruit flavors.
