

ANDEAN CABERNET SAUVIGNON RESERVA

Mendoza

WINERY

Andean Vineyards in the region of Cuyo, is in the heart of the Argentine Andes range. The special characteristics of the Andean soil and of its vineyards were successfully combined with Andean vineyards wine making team, in order to challenge and overcome difficult weather conditions. High Altitude vineyards in the Andes Mountains are the best quality vineyards of Argentina, because of various reasons; wide Temperature range, with Hot Days and Cool Nights. Excellent sun exposure/radiation. Higher skin to pulp ratio results in premium quality. All of our varieties are site selected, from the best high altitude sub regions of each varietal.

| Alcohol Volume: | 14% |

TASTING NOTE

The resultant wine has a unique purity of fruit due to it's origin. The vine benefits from being irrigated by pure water that flows from the snow capped Andes Mountains. The colour is dense purple, it's aroma shows intense fruit, on the palate there is a concentrated rich mouth filling flavour with soft tannins and a right acidity.
