

PISCO ITALIA MOSTO VERDE

Ica Valley, Peru

WINERY

Our Ica vineyards are located in the highlands of the Ica Valley, at the feet of the Andes Mountains, 60 Km from the coastline and over 500 meters above sea level. The soils are deep loam and the climate is desert weather, with fresh to chilly winters and sunny hot summers. Ica valley has a large thermal amplitude reaching differences of up to 20° Celsius between day and night, thus making this area a real oasis for ideal grape vine cultivation. We use drip irrigation and our harvest is done by hand.

Name:	Pisco Italia Mosto Verde
Region:	Ica Valley, Peru
Grape Varieties:	100% Italia
Case / Bottle Size:	12/750 ml.
Alcohol Volume:	42%

TASTING NOTE

Appearance: Transparent with silver hues.

Nose: Soft and delicate notes of white flowers, lemon and chamomile with hints of lemon peel.

Mouth: Creamy and mildly sweet at entry, it then evolves into herbal and floral sensations with minty and fresh notes. Prolonged finish with soft warmth.
