

VEGA ESCAL

D.O.Ca Priorat

WINERY

All of the fruit for this wine is grown in and around Gratallops, where there tend to be warmer daytime temperatures than more northerly subregions of Priorat. Vines range in age from 10 years for the Syrah to 50 years for the Cariñena. Grapes were hand harvested in the middle of September. Varieties were fermented separately with a total of 22 days on skins prior to pressing. Aged 6 months in a combination of French and American oak barrels.
