

SANTIAGO QUEIROLO MALBEC

Ica Valley, Peru

WINERY

Our Cañete vineyards are located on the desert coast of Peru alongside the Cañete River, 3.5 km from the coastline. The soil consists of sandy loam and alluvial subsoil with gravel. The climate is desert, seashore weather with sunny summers tempered by the proximity of the sea. Sea breezes provide mineral notes and complexity to our wines. We use gravity irrigation and harvest is done by hand.

Name:	Santiago Queirolo Malbec
Class:	Red
Region:	Ica Valley, Peru
Vintage:	2017
Grape Varieties:	Malbec
Case / Bottle Size:	12/750ml
Alcohol Volume:	13%

TASTING NOTE

Rich dark red color. The aromas of black fruit, chocolate and ripe cherries abound. In the mouth there are hints of leather and licorice complemented by rounded tannins leading to a long and elegant finish.
