

# TEDESCHI LUCCHINE

## DOC Valpolicella Classico

### WINERY

---

Nicolò Tedeschi founded the company that bears his name in the Valpolicella area in 1824. He was a genuine personality of his time, renowned for his skill and moral stature. Throughout the years, his family has continued the traditional wine-making process, and today, the winery is owned by the fifth generation of Tedeschis.

Lucchine is the name of the vineyard that provides the grapes. It is located in the plains at the foot of Pedemonte hills in the heart of the historic Valpolicella Classica area. This vineyard, thanks to the unique winemaking process used with the grapes, yields a fresh and fruity Valpolicella Classico, ideal to enjoy throughout the meal.
