

# ONDARRE BRUT MILLENNIUM CAVA

D.O. Cava

## WINERY

---

Established in 1986 and part of the Bodegas Olarra Group, is one of the most renowned wineries in the Rioja Qualified Designation of Origin with the added value of making wines that have a unique personality. Bodegas Ondarre is located in Viana, a historical village 8 kilometres from Logroño (La Rioja) with a rich tradition that still preserves the remains of its medieval fortress.

Bodegas Ondarre uses state-of-the-art vinification technology. New French and American Oak barrels are used in the ageing process. The winery places special emphasis on continuously replacing the wood of these barrels, with the aim of achieving in its wines the accented personality that is currently providing it so much prestige.

This is an authentic Cava from Rioja since is 100% Viura grape. The harvest is done early to ensure a delicate and fine base wine. The second fermentation in bottle is done with autoctone yeast with a great aromatic quality. The disgorge is done after a minimum of 11 months.
