TASTING NOTE

Fresh summer raspberries open jubilantly on this crisp, light sparkling rosé. Appealing notes of strawberries refresh the palate alongside persistent bubbles and a crisp structure. A well-integrated wine, abundant and balanced in every way, this is a wine for apéro and cocktails, especially with small nibbles of cured meats, shrimp, or desserts (such as a fruit tart with vanilla cream). This wine is 100% Trepat, a grape indigenous to Penedès.
