

SAN ROMAN

D.O. Toro

WINERY

The average age of our vineyards is 35 years old, some of our oldest vines were planted ungrafted because this area was not affected by phylloxera. The soils are loose, stony or sandy depending on the areas as with clay subsoil where the plant can obtain water in times of drought. The varieties and plots are vinified separately to respect the characteristics of the different vineyards. Our wines are structured and elegant, balanced, with refined tannins and deep minerality.

Name:	San Roman
Class:	Red
Region:	D.O. Toro
Vintage:	2014
Rating:	94 WE
Grape Varieties:	Tinta de Toro
Case / Bottle Size:	12/750 ml - 1.5L - 6L
Alcohol Volume:	14.5%

TASTING NOTE

Relatively warm winter, with below average rainfall and rapid sprouting. A frost-free Spring, with flowering beginning in early June. Veraison was completed in the first week of August and average temperatures were not too high during that month. Harvesting began 8th September lasting for 4 weeks with unbeatable weather and occasional storms that refreshed the grapes and had no impact on the health of the fruit.

Bright and varied range of aromas with predominance of black fruit, notes of iron, cocoa, liquorice and aromatic herbs. Lush, consistent, very tasty, with crisp but fresh tannins.

San Roman 2014 was bottled in March 2017 after spending 24 months in both new and used French and American oak barrels. Great substance in a wine of ample dimensions.
