

DOMAINE DU DOCTEUR RODGERS

A.V.A. Santa Cruz

WINERY

Clos de la Tech's five Pinot Noirs come from three estate vineyards: Domaine du Docteur Rodgers (1 acre, hand-farmed site in Woodside), Domaine Valeta (3.5 acres, 2,350 feet above sea level in the Santa Cruz Mountains AVA) and Domaine Lois Louise (an extraordinarily steep, ocean-exposed, 163-acre property in the Santa Cruz Mountains AVA). The fruit for the "Santa Cruz Mountain Estates" comes primarily from steep, south-facing hillsides. Low yields (less than two tons per acre) and coastal weather conditions conspired to create a wine with incredible depth and power.

TASTING NOTE

The 2005 Domaine de Docteur Rodgers is deep, concentrated and complete. The nose is ripe, powerful and imbued with cassis, bay leaf, cigar box and a trace of oak. The palate is full and balanced and the tannins are seamless. This is an imposing wine that will age gracefully for well into the next decade.
