

BIUTIFUL BRUT ROSE

D.O. Cava

WINERY

The Biutiful Cavas are produced at a winery created in 2007 utilizing the latest technology for the production of Cava. The vineyards are based in Requena; a region with a grape growing history dating back to the 7th century BCE. The region lies about 70 km West of the Mediterranean Sea and combines Mediterranean and Continental climatic influences. The winters are long and cold, getting down to near 0F. The summers are quite short punctuated by long, hot days with a cooling easterly wind in the afternoons/evenings. The elevation of the vineyards is between 700 and 900 meters and they grow Macabeo, Chardonnay and Garnacha.

TASTING NOTE

Brilliant pink. Intense red berry and tangerine scents show very good clarity and a suave floral note that builds in the glass. Silky, seamless and broad on the palate, offering juicy raspberry and blood orange flavors underscored by a smoky mineral nuance. Finishes sappy and quite long, featuring echoing red fruit character and a touch of candied rose. I really like the interplay of power and finesse here.
