

# SANTIAGO QUEIROLO SAUVIGNON BLANC

Ica Valley, Peru

## WINERY

---

Our Cañete vineyards are located on the desert coast of Peru alongside the Cañete River, 3.5 km from the coastline. The soil consists of sandy loam and alluvial subsoil with gravel. The climate is desert, seashore weather with sunny summers tempered by the proximity of the sea. Sea breezes provide mineral notes and complexity to our wines. We use gravity irrigation and harvest is done by hand.

Name:	Santiago Queirolo Sauvignon Blanc
Class:	White
Region:	Ica Valley, Peru
Vintage:	2017
Grape Varieties:	Sauvignon Blanc
Case / Bottle Size:	12/750ml
Alcohol Volume:	12%

## TASTING NOTE

---

Light pale yellow with green hues. Expressive and attractive aromas with prominent notes of citrus fruits, apples and peaches. In the mouth it is refreshing and lively with a good acidity level. Medium bodied with a long and tasty finish.
