

GENIUM CELLER

D.O.C. Priorat

WINERY

In the year 2002, six families from the municipality of Poboleda (Priorat) with a long tradition in vine growing decided to join their efforts in order to make high quality wines from their own crops. All of them have day jobs outside of the bodega, but share the work in the vineyards and cellar to make the project succeed. This winery is located in the basement of a house that dates back to 1265, which was the very first settlement of the Carthusian monks of Scala Dei. 15 hectares of vineyards are owned between all of the families. 7 hectares are Costers, 3 hectares of organically farmed vines (Ecologic) and 5 hectares of terraced vines on narrow terraces with two rows of vines each.

TASTING NOTE

Minerally aromas of crushed stone, schist and red-berry fruits feed into a tight palate with an iron grip. Plum, raspberry, cherry and cassis flavors cover the full spectrum of red fruits, while a chalky, minerally finish confirms the wine's intensity and structure.
