

ESENCIA DIVIÑA ALBARIÑO

D.O. Rías Baixas

WINERY

Piñeiro Cores family has grown vineyards for generations. We first cultivated small vineyards and gradually reorganized and replaced the original grape variety with Albarino's grapes. Slowly but also with persistence, our grandparents continued growing Albarino grapes on small plots of land across the Rias Baixas region. Adegas Gran Vinun was created in 2002 to continue the family style.

Our winery produces Albarino wines which are included in the D.O. Rias Baixas.

The region defines the culture of Adegas Gran Vinum. The vineyards' exceptional location, on hillsides overlooking the river Umia and the Ría de Arosa, near Cambados in the Pontevedra province, Galicia (Spain).

Over the years, Adegas Gran Vinum has taken part in several tastings, both for guides and specialized press and magazines, obtaining very positive assessments for all our wines. Our Albarino wines have chosen as finalist and also have been awarded in several national and international competitions.
