## DOCa Rioja

### WINERY

---

Bodegas Proelio is a modern, dynamic and avant-garde winery which was founded between the hillside towns of Nalda and Albelda with the 2012 vintage. Here, in the heart of the Qualified Denomination of Origin Rioja, we produce red and rosé wines. And all this in a space defined by elegance and the purest tradition, which is the best guarantee of premium quality. Its name, Proelio, is not by chance, since it means “battle” in Latin, which represents a tribute to the struggle, strength and effort involved in the production of our wines by its special characteristics.
