WINERY

Bodegas Olarra is located on the outskirts of Logroño, in the heart of the Rioja Qualified Designation of Origin and within the highly regarded sub-area of Rioja Alta. Since its establishment in 1973, Olarra has been noted for the beauty and complexity of its unique premises thanks to its Y-shaped ground plan and its 111 hexagonal domes. Bodegas Olarra is commonly known as the Cathedral of Rioja. This winery tastefully merges cutting edge wine-related technologies with the traditional winemaking methods of La Rioja, and as a result, it creates wines with the strictest parameters of quality. At Olarra, we are strong believers of the theory that what makes a great wine is taking perfect care of the grapes and using a thorough attention-to-detail approach. In the making of its wines, Bodegas Olarra only uses grapes that meet a series of strict conditions.

TASTING NOTE

Good initial aromatic intensity with subtle notes of dry red fruits followed by aromas of fine woods, later developing balsamic hints and notes of toasted bread, ending with pleasant touches of spice. Medium-bodied, round and polished palate. Enjoy its expressive, meaty tannins that are perfectly integrated into the whole. Very good acidity gives it further growth potential in the bottle. Nice long finish with spicy and toasty notes.
