

TRUS CRIANZA

D.O. Ribera del Duero

WINERY

Bodegas Trus, SL was founded in 1999, with the hope and idea of producing wines of great quality and personality that are a true reflection of a zone, a place and a “savoir fair” TRUS (Earth Roble-Grape-Sun). Our goal is to create a great brand TRUS with a wine of the highest quality with extensive experience in the areas of processing and distribution. Since the quality of a stock is closely related to the value of the grapes from which it is essential to the location of the vineyards, and we have therefore chosen a prime area of the Ribera del Duero Pesquera triangle with the valley up to Piñel de Abajo, ensuring an unbeatable location.
