

LA GATTA

D.O.C.G. Moscato d'Asti

WINERY

Vite Colte's project has a team of 180 vine growers who cultivate 300 hectares, a part of which in biological conversion, the remainder is eco friendly. All of our vine growers have true passion for the land. Behind each Vite Colte's wine there is a face, a story and a family that stand by it. We have everything we need: a vast heritage of vineyards, which means we can choose the best of the best. Motivated vine growers families. Modern enological systems and technology which is needed to preserve and enhance the quality of the grapes, a first-class wine making group.
