

# ROW 503

## Willamette Valley

### WINERY

---

Pinot Noir is born in the heart of Oregon wine country, where ancient soils cover the famous slopes of the Cascades and the Coastal Range. The lava flows of 15 million years ago are now the rich volcanic soils treasured by some of the world's great winemakers.

### TASTING NOTE

---

On the nose, the earth and fruit clearly say Oregon. Nicely structured, with good complexity, the 2014 Row 503 Pinot Noir has deep, dark berry fruits, blue fruits and cola nuts on the nose and palate. A long, complete finish wraps the experience up nicely.
