

# GAÑETA ROSE

## D.O. Getariako Txakolina

### WINERY

---

Our winery, GAÑETA, alongside the Agerre-Goikoa farmhouse, is located between the San Prudentzio and Askizu neighbourhoods in the municipality of Getaria. Has 10 hectares of sloping, trellised vineyards in Getaria and the surrounding area, where we cultivate the autochthonous vine varieties: Hondarrabi Zuri (85%) and Hondarrabi Beltza (15%), which are harvested at the beginning of October. A long family tradition predestined the production of Txakoli to Julián Ostolaza Manterola, who founded GAÑETA in 1992 and prepared and fitted out a state-of-the-art winery. It all started with his grandfather, Manuel, in the 19th century who produced txakoli for his own consumption, and was continued throughout the 20th century by his son, José María. This passion led their descendents to continue with this artisanal dedication.

Name:	Gañeta Rose
Class:	Rose
Region:	D.O. Getariako Txakolina
Vintage:	2015
Grape Varieties:	Hondarrabi Beltza
Case / Bottle Size:	12/750ml
Alcohol Volume:	11%

### TASTING NOTE

---

This Txakoli is in memory of our ancestors, who produced txakoli with somewhat pinkish tones due to the combination of white and red grapes they used. In this case, we only use 100% Hondarrabi Beltza grapes but with a light maceration just to obtain the elegant touch and exotic fuchsia colour that can be seen in the bottle. Fuchsia with violet tinges, brilliant. Aroma: Intense, refreshing profile, reminiscent of our vineyards and green fields on the Cantabrian coast. In the Mouth: Smooth, fresh, with a persistent finish.
